NEW for 2023- \$5 preventive drug benefit for HDHP plans

High costs for medications should not keep you from taking vital prescriptions essential to your health. The IRS allows certain medications to be available at a low cost without having to meet your deductible on a High Deductible Health Plan. These medications include many that treat common conditions and diseases such as:

- High blood pressure
- High cholesterol
- Depression
- COPD
- Asthma
- Cancer
- Irritable bowel syndrome
- And many more. Medications that are both considered preventive and on our list of covered drugs, only cost \$5 for each 30-day fill at an in-network pharmacy.

Save more, do more

Use +Perks and start saving with:

- Discounts and cash back at over 2,000 local and national retailers
- Sanford Health exclusive discounts from Profile, Sanford Wellness Centers and Great Shots
- Fitness center reimbursements
