

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit [sanfordhealthplan.com/sbcfinder](https://sanfordhealthplan.com/sbcfinder) or call 1-800-752-5863 (toll free) | TTY/TDD: 711. For general definitions of common terms, such as allowed amount, balance-billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
<b>What is the overall deductible?</b>	For <u>network providers</u> <b>\$7,500</b> individual / <b>\$15,000</b> family. For <u>out-of-network providers</u> <b>\$15,000</b> individual / <b>\$30,000</b> family. <b>Copays do not apply to deductible.</b>	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your deductible?</b>	Yes. <u>Preventive care</u> and primary care services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without cost-sharing and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other deductibles for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the out-of-pocket limit for this plan?</b>	For <u>network providers</u> <b>\$9,000</b> individual / <b>\$18,000</b> family. For <u>out-of-network providers</u> <b>\$18,000</b> individual / <b>\$36,000</b> family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the out-of-pocket limit?</b>	<u>Premiums</u> , <u>balance-billing</u> charges (unless balanced billing is prohibited), and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
<b>Will you pay less if you use a network provider?</b>	Yes. See <a href="https://www.sanfordhealthplan.com">www.sanfordhealthplan.com</a> or call 1-800-752-5863 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a provider in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a provider for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance-billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your provider before you get services.
<b>Do you need a referral to see a specialist?</b>	No.	You can see the in-network <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
