This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit [sanfordhealthplan.com/sbcfinder](https://www.sanfordhealthplan.com/sbcfinder) or call 1-800-752-5863 (toll free) | TTY/TDD: 711. | Important Questions   | Answers  | Why This Matters:  |
|---|--|--|
| What is the overall <u>deductible</u> ?                             | \$0  | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| Are there services covered before you meet your <u>deductible</u> ? | Yes. <u>Preventive care</u> and primary care services are covered before you meet your <u>deductible</u> .   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without cost-sharing and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .                              |
| Are there other <u>deductibles</u> for specific services?           | No.  | You don't have to meet <u>deductibles</u> for specific services.   |
| What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?       | \$0  | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the <u>out-of-pocket limit</u> ?            | <u>Premiums</u> , <u>balance-billing charges</u> (unless balanced billing is prohibited), and health care this <u>plan</u> doesn't cover.          | Even though you pay these expenses, they don't count toward the out-of-pocket limit.   |
| Will you pay less if you use a <u>network provider</u> ?            | Yes. See <a href="https://www.sanfordhealthplan.com">www.sanfordhealthplan.com</a> or call 1-800-752-5863 for a list of <u>network providers</u> . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a provider in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a provider for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays ( <u>balance-billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your provider before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?          | No.  | You can see the in-network <u>specialist</u> you choose without a <u>referral</u> .  |

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
